## REFLECT

### First Reading:

The prophet Isaiah used marriage imagery (bride and groom) to describe the Lord's love for his people, Israel. What do you see as some implications of this marriage imagery?

### Second Reading:

Paul taught the Corinthians that the individual gifts of the Holy Spirit are meant to benefit and unify the community of faith. How do you use your spiritual gifts within your faith community?

### Gospel:

Jesus turning water into wine at the wedding feast in Cana was one of the first public "signs" he performed revealing his divinity. It also showed Jesus' compassion, sparing the family shame at running short of wine.

How do you imagine the family reacted to Jesus' intervention and rescue?
