#### A FAMILY PERSPECTIVE

Today Jesus tells us: "Why do you see the speck in someone else's eye but miss the log in your own eye?" It's always easier to try to change someone else than face the things in ourselves which need change. What a waste of time for we can't change anyone but ourselves.

#### WORD OF LIFE!!

Although almost 50% of marriages end in divorce. If you have only been married once, fight the temptation to feel superior. Hard work, grace, and a little luck all go into the mix. The next few MMs will address the complicated challenges faced by couples in a second marriage. We can all learn from this.

### CATHOLIC SERVICES APPEAL

(CSA) - 2022 ~Today is commitment Sunday for the 2022 CSA. Only by working

together can we make it possible for parishes, Catholic schools, Catholic charities, clergy and the Catholic faithful to live and share Christ's teaching. You may wonder why you should support the CSA. The truth is, as members of the Diocese of Erie, we play an important role in the diocesan activities of Catholic education, evangelization, promoting justice and serving people in need throughout our diocese. Our diocese has work to do on behalf of the Lord and we are all asked to share our gifts to help advance the mission of the church. Our bishop assures us that donations to the CSA are placed in a designated account and used solely to support the programs and ministries of the diocese and cannot be used for any other purpose.

Your Gift is so Important!! Thank you for Giving!!

But God and the Blessed Virgin Mary had other plans for Patrick, and after he was ordained a priest, Father Peyton spent his life reminding the world that "The Family That Prays Together Stays Together."

### INSPIRATION FOR THE WEEK

"From the fullness of the heart the mouth speaks."  
What we say reveals so much about who we are.  
It discloses what is really going on within us: our integrity, priorities, depth of conscience, level of compassion and understanding of mercy. People whose speech is judgmental or overly critical usually reveal an interior life that is angry, unsettled, defensive, and shallow. Our speech communicates our sense of right and wrong, the strength of our relationship with God and how we feel about our fellow human beings. We are also quick to point out the faults of others, concentrating on their shortcomings and wrongdoings before our own. Only God fully understands what is going on inside the human heart. Only God can see the depth of a human soul. Perhaps it would do us well to consider what may be happening inside our brothers and sisters and temper our critical speech of what we see occurring outside. Looking within will also help us identify our own sins and weakness so that we can be better positioned to offer the type of wisdom and compassionate guidance that can really be of help to our friends.

### REFLECT

#### First Reading:

Sirach teaches that much is revealed about someone in how they speak. How conscious are you about weighing your words with others?

#### Second Reading:

Paul speaks of Jesus' resurrection taking away the "sting" and "victory" of death itself. In what ways have you experienced this reality in the death of loved ones in your life?

#### Gospel:

Jesus challenges his disciples to exercise humility towards others and to bear good fruit with their lives. Can you cite examples of how you follow these commands of Jesus in your own life?©LPi
