### A FAMILY PERSPECTIVE

In today's gospel a servant WAITED for the master to return. Waiting is a normal part of family life. We wait for a child's birth, then for small legs to catch up. Later we wait for teenagers to return home safely. Finally we wait alone anticipating a call or visit from an adult child. Waiting is sacred time, for even in the waiting we are connected.

### WORD OF LIFE!!

August marks the bombing of Hiroshima and Nagasaki. These days Ukraine continues to be bombed. Some bombs blast property and health. But in marriage, sometimes the "bombs" can be emotional. Are there any crude comments you'd like to stop?

### ADORATION OF THE BLESSED SACRAMENT

**PLEASE PRAY** for the repose of the souls of all the faithful departed. May God grant them eternal rest and comfort all those who mourn them.

### PARENTING POINTERS

It's been a hot summer for most of us. Heat, politics, war, family squabbles, etc. can take a toll on our emotional and physical health. Why not take a break, aka a "home vacation." Take an evening, or maybe just an hour, to do something frivolous as a family this weekend.

**"Understand what you do, imitate what you celebrate, and conform your life to the mystery of the Lord's cross."**

**-Ordination Rite of Priests-**

### LOVE AND CARE MISSION Inc.

Mission Co-Op Diocese of Erie ~ The Diocese has assigned the Love & Care Mission to Sacred Heart Parish for this years' Mission Appeal. Father Vijayan Joseph will be speaking at all Masses the weekend of August 13 & 14. There will be a second collection that weekend.

### THE MINISTRY AND ACTIVITIES OF LOVE AND CARE MISSION

It is our dream and desire to bring the Gospel values to make a difference in the world where over one billion people live in unacceptable conditions of poverty, sickness and illiteracy mostly in Under-developed and developing countries particularly in rural areas in Asia, Africa, Latin America and the Caribbean. We are dedicated to the great ministry of Evangelization to bring Jesus' message of God's kingdom to alleviate the sufferings more specifically in children and the aging through a missionary approach.

1. **Children and families affected with HIV/AIDS:** We have committed ourselves to serve the HIV affected children and parents.
2. **God's (Orphan) children:** When one of the parents or both parents die due to various life situations, the children become orphans. LCM sees a big need to support orphanages which are trying to nurture the young lives with food and education.
3. **Drinking Water project:** In our project areas there are many struggling to get good and clean drinking water.
4. **Seminar support:** There is an ever-increasing need for priests to serve the Church, offer sacraments to the faithful and to bring Jesus to the non-Christians.
5. **For Street/abandoned children:** Many children live in the streets trying to get any jobs to survive. They are mostly from broken families suffering from acute poverty, or run away from home, or children who have lost their parents.
6. **For mentally challenged children and women:** Because of lack of awareness and education, the mentally challenged are often deprived of proper medical care and good rehab.
7. **Educate the needy Children:** Education helps children to participate in the church activities and in The Liturgy. They can go for higher studies and look for other jobs than working for the land lords as bonded laborers, for a very less pay.
8. **Evening Study Centers:** We have evening study centers for the children after school hours, where the students can come together and study.
9. **Lepers Families and their Children care:** we are dedicated to assist the FMM sisters in India. There are 60 permanent residents helped to have food and medicine and 4275 leprosy patients were given treatment last year. In Nigeria 22 leprosy patients and their children in a lepers' colony are supported.
10. **Care for the elderly:** The poor elderly in the villages have no recourse to medical facilities and are barely able to have a good meal. There is no health insurance for them. LCM is helping to alleviate the suffering and pain of the elderly in and around our projects by providing them nursing care, supply of medicine, food and clothing.
11. **Medical Camp:** The poor are unable to visit a clinic or a doctor even when they are sick. They don't have the money to pay the doctor or to buy medicine. They never do regular checkups.
12. **Tribal Children out reach:** Tribal children live in very remote villages in India and they have no recourse to come to the main stream. It is only by education they get lots of opportunity. LCM is helping tribal children in India and Africa in three centers.
