RESPECT LIFE ~ "Hope is always possible. To those who care for the sick, the scene of the Cross provides a way of understanding that even when it seems that there is nothing more to do there remains much to do, because 'remaining' by the side of the sick is a sign of love and of the hope that it contains. Healed by Jesus, we become men and women called to proclaim his healing power and provide care for our neighbors, until the very end."

NEW CATHOLIC HISTORY BOOK AVAILABLE First published in 1919, celebrating the diamond jubilee of Saint Mary's Parish, the History of the Development of Catholicity in St. Marys was written by Rev. Remigius Burgemeister, O.S.B., a Benedictine monk of St. Vincent Archabbey in Latrobe, PA.

This book, in mapping out these early years of Saint Marys Parish, presents to the reader how the very community of the city of St Marys, PA was founded upon and developed as a community of faith. It helps to show how many facets of the city experienced today came to be.

God picks you from the patch and brings you in.
(John 15:16)
Then washes all the dirt off of you.
(2 Corinthan 5:17)
He opens you up and scoops out all the yucky stuff.
He removes the seeds of doubt, hate, greed, etc.
(Romans 6:6)
Then He carves you a new smiling face
(Psalm 71:23)
And He puts His light inside you to shine for all the world to see.
