GIVE THE GIFT OF

Sincere Prayer

Did you know that you can also have
Mass offered for the living?

A Mass can be offered for a person who is still living.
Though we often think of having a Mass said for those who have passed away, Masses can be offered for those who are still alive. The Council of Trent says that Mass may be said "for the living and the dead, for sins, punishments, satisfactions, and other necessities." In other words, if you know someone who could benefit from the spiritual graces that come with having a Mass said on their behalf, there is no need to delay in doing so.

You can have a Mass said in Thanksgiving or for a celebration. Again, most people remember to have a Mass said for the death of a loved one and a few may think to have a Mass offered for a special intention or friend who is suffering, but rarely do we think of having a Mass in thanksgiving or for a blessing received! Is there a better way to show our gratitude to God? Masses can be said for birthdays, anniversaries, in celebration of the reception of the sacraments, or for prayers that have been answered!

Because the Mass is the highest form of worship on Earth, there are many fruits and graces that result from having a Mass said. The reason that this tradition has been passed on for centuries is because of the many spiritual fruits that result from this form of prayer.

The celebration of the Eucharist is the highest form of worship in the Catholic Church because we unite ourselves with Christ's sacrifice on the cross in worship of his Father.

St. John Paul II emphasized the graces that come when a Mass is offered. "The Church believes that she will be heard, for she prays in union with Christ her Head and Spouse, who takes up this plea of His Bride and joins it to His own redemptive sacrifice."

Don't miss out on these graces for yourself and those you love!

Find a reason to have a Mass offered today.
